

Hampton Cemetery Committee
How to Get Started Developing an Action Plan
List of Best Practices

- Pursue approval from Property Owner
- Identify direct needs of individual cemetery
 - Identify possible regulatory constraints (for example, contact Land Development Services regarding the Chesapeake Bay Preservation Act, local ordinances, etc.)
 - Identify any necessary permits
- Brainstorm possible partnerships or other sources of services and/or funding (ex: faith-based community, local businesses)
- Establish a volunteer pool
- Pursue declaration as a Historical Site
- Form a non-profit to raise funds
- Establish a method of communicating information (ex: distribution list, website, newsletter)
